

## Homeowner / Landlord Gas Safety Record

This inspection is for gas safety purposes only to comply with the Gas Safety (Installation and Use) Regulations. Flues have been inspected visually and checked for satisfactory evacuation of products of combustion. A detailed internal inspection of the flue integrity, construction and lining has NOT been carried out. Registered Business/engineer details can be checked at www.gassaferegister.co.uk or by calling 0800 408 5500
